

The background of the entire image is a repeating pattern of circular wood cross-sections. Each circle shows a different wood grain pattern, with some having prominent radial lines and others having more irregular, swirling patterns. The circles are arranged in a dense, overlapping grid.

AUTO-LEVELING

Facile installazione
Easy laying

- L'utilizzo di materie prime ad elevata plasticità dona grande flessibilità alle lastre
- le lastre sono studiate con un minimo grado di convessità per facilitare la posa
- posate sul massetto si autolivellano per il loro stesso peso
- la superficie risulterà perfettamente planare
- consente tutti gli schemi di posa possibili
