**Dieci pattern decorativi e quattro fondi monocromatici reinterpretano il fascino delle formelle in pasta di cemento di fine '800. Medley rilegge in chiave contemporanea la superficie e consegna un progetto decorativo adatto a tutte le applicazioni da interno.**

Ten decorative patterns and four monochrome base tiles recreate the allure of the late-19th-century cement tiles. Medley brings a contemporary slant to the surface, for a decorative project suitable for all kinds of indoor applications.

Zehn Dekorationsmuster und vier einfarbige Grundfliesen interpretieren den Reiz der Fliesen aus Zementmasse vom Ende des 19. Jahrhunderts neu. Medley ist das Ergebnis einer Neuauslegung der Oberfläche auf zeitgenössische Art und liefert ein Dekorationsprojekt, das für alle Anwendungen für den Innenbereich geeignet ist.

Dix motifs décoratifs et quatre fonds monochromatiques réinterprètent le charme des carreaux en pâte de ciment de la fin du XIXème siècle. Medley revisite, dans une optique contemporaine, la surface et donne naissance à un projet décoratif adapté à toutes les applications pour intérieur.

Diez patrones decorativos y cuatro fondos monocromáticos reinterpretan el encanto de las baldosas de pasta de cemento de finales del siglo XIX. Medley recrea la superficie en clave moderna y ofrece un proyecto decorativo apto para todas las aplicaciones de interiores.

Десять вариантов рисунка и четыре однотонных фона помогают по-новому воспроизвести очарование мелкой цементной плитки конца 19 века. Коллекция Medley предлагает современное прочтение облицовки и декоративное решение, прекрасно подходящее для любого использования в интерьере.
