Dal 1966 F.L.A.B. opera nel settore dell'arredo bagno con l'obiettivo di creare prodotti d'alta qualità, funzionali e di forte impatto estetico. La continua evoluzione dell'ambiente bagno richiede aggiornamenti sempre continui anche nell'accessorio che lo completa, per far ciò F.L.A.B. si avvale della collaborazione di designers sempre attenti alle nuove richieste e alle nuove tendenze. Tecnici ed artigiani di lunga esperienza creano, utilizzando materiali di alta qualità, attentamente selezionati, accessori robusti e destinati a durare nel tempo. I numerosi riscontri sia in campo nazionale che internazionale hanno indotto la F.L.A.B. ad affrontare una nuova sfida realizzando nuove linee di prodotti dal design ricercato ed adattabili ad ogni esigenza di spazio ed estetica dell'ambiente bagno mantenendo inalterato lo standard qualitativo che la F.L.A.B. garantisce da oltre 50 anni.

*Since 1966, F.L.A.B. works in the bathroom accessories sector with the goal of designing high quality, functional and attractive products. The on going evolution of the bath room requires constant upgrades even about the accessories that refine it. To serve this goal, F.L.A.B. collaborates side-by-side with skilled designers always focused on new trends and market needs. Very long experienced technicians and artisans manipulate raw material of the best selected quality, creating precious, strong and long lasting accessories. Numerous highly positive feedbacks, both at national and international level, convinced F.L.A.B. to face always new challenges working off in order to realize new collections characterised by a refined and trendy design, that is even very adaptable to most of the environments and aesthetic needs but keeping on the high quality standards that F.L.A.B. guarantees since over 50 years.*

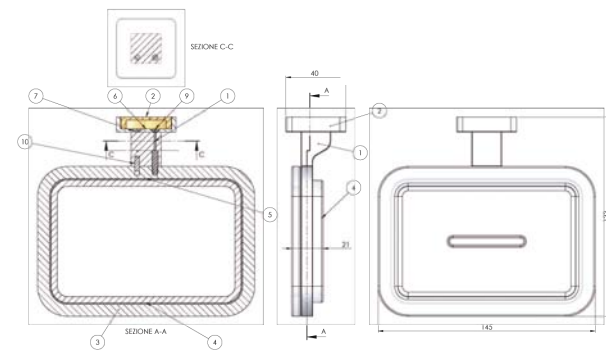

# Idee ed innovazione

Ideas and innovation

F.L.A.B. ha scelto, per tutti i suoi nuovi progetti, di affidarsi ad un designer che opera da più di vent'anni nel settore bagno lavorando per aziende importanti in tutto il mondo. Piet Billekens è un designer di origini olandesi che ha scelto dopo avere concluso lo studio in Olanda di trasferirsi a Milano dove tuttora ha lo studio. Una collaborazione di lunga durata con F.L.A.B. ha reso possibile una particolare simbiosi tra designer ed azienda. Non fermandosi al semplice concetto estetico ma entrando spesso anche nel più minimo particolare tecnico ha reso possibile la creazione di prodotti non solo belli esteticamente ma anche più sofisticati dando particolare attenzione alla facilità di installazione e la durabilità tenendo poi sempre presente i temi legati al rispetto per l'ambiente.

*F.L.A.B. has chosen, for its new projects, to entrust in a designer who works since over twenty years for a lot of important companies producing mainly products for the bathroom. Piet Billekens is a Dutch designer who after his studies moved to Milan where nowadays he has still his own design studio. A long time cooperation with F.L.A.B. made it possible to create a special symbiosis between designer and company. Not limiting the collaboration to the simple aesthetic concept but entering even in the most little technical detail has made possible to create products which are not only aesthetically attractive but also more sophisticated giving special attention to the easy installation, the durability and keeping always in mind the themes related to the respect for the environment.*
