# LUMIERE

I rivestimenti Lumiere s'ispirano allo stile industriale tipico delle capitali del nord Europa e, in sintonia coi pavimenti coordinati, ne raccontano la grandezza e la sofisticata vitalità. La serie svela l'eleganza di trattamenti ricercati nei movimenti grafici che riproducono le lavorazioni delle superfici.

The Lumiere wall tiles take their inspiration from the industrial style typical of the capitals of northern Europe, harmonising with the coordinated floors to reflect the greatness and sophisticated vitality of those cities. The series mirrors the elegance of treatments developed through graphical patterns reproducing the surface textures.
