**RAFFINATEZZA, RIGORE, ARMONIA.**

una collezione di taglio decisamente contemporaneo, giocata su toni basilici (bianco, marrone, tortora, antracite) e decisi (turchese e arancio), accompagnati da una morbida struttura lievemente ondulata. Smart rappresenta un mood spigliato, giovane, di grande personalità, con qualche sottile nota romantica.

**REFINEMENT, SEVERITY, HARMONY.**

without any doubt a contemporary series, playing with basic (white, brown, dove-grey, anthracite) and intense colors (turquoise and orange), going along with a slightly undulated delicate structure. smart represents an unstrained and youthful mood of a great personality, with a gently romantic touch.

# SMART MIX AND MATCH PROJECT

Il concetto chiave di questa collezione è la libertà di progettare, inventare geometrie e giochi grafici, creare abbinamenti audaci ed esclusivi, mixando toni a contrasto, colori neutri e accesi, superfici lisce e ondulate, lucide e opache.

The key concept of this collection is the freedom to design and create geometries and graphic games, the option of creating daring and exclusive combinations, mixing contrasting tones, combined with neutral and bright colours, smooth and wavy surfaces, shiny and mat.
