GLOSSY COLLECTION

When,

ceramic blends with innovation,
innovation in ceramic happens.

A DIFFERENT **INNOVATION** IN YOUR HOME

60x120cm modularity makes our collection highly versatile. The variety of designs enhances and stimulates your creativity, providing room for timeless projects. Such an eccentric thickness makes varied applications possible. In our journey to become the most influential tile manufacturer ever, we have discovered many new characteristics of tiles including ASC products through extensive research. There is an exceptional level of durability in the tiles.
